

NANP Annual Conference Participation:

What's the best way to get your products and services in front of those who will not only use the items themselves, but who will also recommend them to their clientele? The NANP annual conference is your answer! Each year, our conference draws 200 – 250 nutrition professionals, students, and associate practitioners who are eager to find the best selection of products and services for their clients, their families and themselves. To make it easy on you, we've developed several ways in which you can become a part of our annual conference experience. Which level is right for you?

NANP's Silent Auction

Please also consider donating to our Silent Auction. Last year's auction was a huge success. Several items even sold above retail value! This is another great way to get your products noticed by this highly specialized group of practitioners.

Please email Sarah Kurhajetz at skurhajetz@yahoo.com to discuss participation in the NANP Conference.
